Should you be required to change any aspect of your carriage due to Force Majeure, you must contact us as soon as practicable and we will use reasonable efforts to transport you to your next Stopover or final destination, without recalculation of the fare (but only if you have provided us with satisfactory evidence of the Force Majeure).

3.4.3 Should you change your carriage without our agreement, we will assess the correct price for your actual travel. You will have to pay any difference between the price you have paid and the total fare we calculate for your revised carriage. We will refund you the difference if the new price is lower (subject to deduction of a reasonable administration fee), but otherwise your unused Flight Coupons have no value.

3.4.4 While some types of changes will not result in a change of fare, others, such as changing the place of departure (for example, if you do not fly the first segment) or reversing the direction you travel, can result in an increase in price. Many special fares are valid only on the dates and for the flights shown on the Ticket and may not be changed at all, or may be changed only upon payment of an additional fee to us or our Authorized Agent.

3.4.5 Each Flight Coupon contained in your Ticket will be accepted for transportation in the class of service on the date and on the flight for which your seat has been reserved. Fares do not include ground transport service between airports and between airports and town terminals. Your fare will be calculated in accordance with our Tariff in effect on the date of payment of your ticket for travel on the specific dates and itinerary shown on it. Should you change your itinerary or dates of travel, this may impact the fare to be paid by you, or as the case may be, refunded by us, in accordance with our regulation.

4.2 APPLICABLE FARES

Subject to Article 4.3, applicable fares are those in effect on the date of payment in full of the Ticket. Should you change your itinerary or dates of travel, this may impact the fare to be paid. The taxes, charges and fees imposed on air travel change constantly, and can be imposed after the Ticket has been issued. If there is a subsequent increase in a tax, charge or fee shown on the Ticket, you will be obligated to pay it. Similarly, if a new tax, charge or fee is imposed even after your Ticket has been issued, you will be obliged to pay it. By the same token, should any taxes, charges or fees which you have paid us at the time your Ticket was issued be abolished or reduced, you will be entitled to claim a refund if the authorities or entities imposing these taxes, charges or fees grant us a corresponding refund.

4.4 CURRENCY

All fares, taxes, charges and fees are payable in the currency of the country in which the ticket is issued, unless another currency is accepted by us or our Authorized Agent at the time or before payment is made (for example, in view of the non-convertibility of the local currency). - 4.5.3** In such cases, you will be required to pay to us, as fare surcharges, all such charges attributed by us to your carriage (even if imposed after the date of issue of your Ticket). We will contact you with details of any applicable fare surcharges as soon as possible. If we are unable to contact you using your contact details, we will advise you of any applicable fare surcharge at check-in. You are free to choose not to pay a fare surcharge and receive an involuntary refund of your Ticket in accordance with the provisions of Article 10.2, in which case we will have no other liability to you.
- 4.5.4** If any exceptional circumstances surcharge ceases to apply to all or part of your carriage, or a lesser amount is due, a refund can be claimed in respect of any such surcharge which has been paid. Please ask us or our Authorized Agent for details of how to claim such refund.
